Social Center St elisabeth

Youth worker

I worked as an animator at the St. Elisabeth social center where I organized and led community activities like sports and arts and crafts. This job helped me develop strong leadership and communication skills while also igniting my passion for working with people of different ages and abilities. Through this experience, I discovered a passion for event management, where I can use my creativity and organizational skills to create enjoyable and memorable experiences for others.

During my summer 2022 trip with the Scouts and Guides of France, I worked with individuals with disabilities.
